What our guests have to say...

"Staying at the Camelot is like a home away from home. The rooms are spacious... and to be able to accommodate up to 6 students into a 2 bedroom unit is a real bonus.

"The Camelot would be one of the most outstanding motor lodge complexes in New Zealand. Its location to the centre of Christchurch City and restaurants is another added bonus.

"...from the moment you arrive until your departure they cannot do enough for you."
Rod Lee, Director - Sport Travel NZ

"The Camelot is a fantastic place to stay with our group of 50. The hospitality received is second to none and it is always a pleasure to stay there when we are in Christchurch. I would strongly recommend this lodge to individuals and small or large groups."
Casey Henwood, Executive Officer - Midlands Hockey Inc

"We at Badminton Otago have been staying with Penny and Brian for many years and have found them very accommodating. ...the room facilities cater to all our needs extremely well and allows for flexibility... and the kitchens are superb for preparing their meals. Our teams have all enjoyed staying at the Camelot and we will continue to stay with them when in Christchurch."
